FALL 2023 TOMMY HILFIGER WOMENSWEAR COLLECTION

BRAVE NEW CLASSICS

Brave New Classics, the Fall 2023 Tommy Hilfiger Womenswear collection, forms the building blocks of the classic preppy wardrobe. The collection takes vintage inspiration, featuring nods to the archive and new takes on timeless styles.

Outerwear is a key focus, with our New York puffer jacket and fresh takes on the duffel and peacoat. Sustainable materials such as lyocell, recycled poly yarns and recycled nylon feature throughout. Texture play is paramount, with tactile wool twills and soft brushed alpaca blends set against leather, draped viscose crepes, quilted denim and velvet. The palette is rich, featuring autumnal neutral tones, clashed with flashes of this season's pop colors. Modern tailored silhouettes bring relaxed elevation, set off against fitted graphic tees and miniskirts. Versatile and endlessly desirable, FA23 is a reflection of the modern woman's wardrobe.
