FALL 2025

KIDS FALL 2025

For Fall, we return to our brand heart in New York City. There's a trans-seasonality to the fall wardrobe that echoes the change in season, with lightweight layers that effortlessly

transition from the office, to a lunch in Central Park and evening out in the city. As Fall comes into full swing, our brand DNA comes to life through a modern interpretation of prep silhouettes, new heritage crest applications and pops of red, white and blue. With winter in sight, we retreat upstate with richer textures of corduroy, chunky wool sweaters and iconic outerwear to cozy up in.

This versatile kids' collection is perfect for back-to-school and beyond. The varsity range blends classic Americana style with a fun twist, featuring reversible puffers and relaxed-fit denim jeans. Boys' camping-inspired styles give warmth and function, transitioning outdoor play to city life. For girls, pops of light pink add a playful touch. Cozy sweaters and Fair Isle patterns keep kids warm and ready for anything.
